We may contact Clients and users by e-mail by not through the website.

Searchnu.com may use cookies on the Site. Cookies are pieces of information that a website transfers to an individual's hard drive for record-keeping purposes.

Cookies make web-surfing easier by saving preferences and browsing patterns while you are at Searchnu.com's Site. Cookies may be used to analyze Site usage, improve content, customize the Site's content and layout and for other customer service purposes. Searchnu.com's use of cookies is in no way linked to any Personal Information.

The website may automatically receive and record certain non-personally identifiable information on its server logs from your browser, including your IP address, browser type, internet service provider (ISP), cookie information, and the webpage that a user visits. We collect non-personally identifiable information for general purposes, including but not limited to analyzing trends, administering the site, tracking user movements, conducting research, and providing anonymous reporting to internal and external clients. We will not link any Personal Information, including e-mail addresses, with aggregate data of its users.

Data protection

Where as part of the performance of the Supplier's obligations under this Agreement the Supplier processes personal data (as that term is defined in the Data Protection Act 1998) on behalf of the Client, the Supplier shall:

(a) act only on instructions from the Client in relation to such processing;

(b) not transmit such personal data without the Client's prior written consent; and

(c) take appropriate technical and organisational measures against unauthorised or unlawful processing of personal data and against accidental loss or destruction of or damage to personal data (including by ensuring that any personal data held on mobile or portable devices is encrypted using encryption software meeting then current standards).

The website shall not be required users (or by virtue of operation of the Software) to upload personal data onto the Software. Accordingly, where any authorised user uploads any such personal data, the user shall indemnify us against any loss, liability, cost or expense incurred by us to the extent arising in connection with such personal data.

Sharing and Disclosure of Information

MatBlas does not rent, sell, or share any information about the user with any third-parties. Subject to the confidentiality agreement of the licence or trial licence, we may disclose names and contact details of user if we believe such action is necessary to: (a) comply with the law; (b) protect and defend the rights or property of MatBlas (including the enforcement of our agreements); or (c) act in urgent circumstances to protect the personal safety of users of the website services or members of the public.

Security

We take reasonable precaution to protect our website from misuse and unauthorized access by encrypting all transmission to and from the server. However, no method of transmission over the Internet, or method of electronic storage, is 100% secure, however.

Changes to Policy

From time to time, we may revise this Policy and the latest policy will be available from the website.
